NOSTALGIA

DEDICATED TO A SCHOOL BUILDING

By LOUISE BAXTER EPPLEY

So hard to reach this final goal
And after being won,
The laurel wreath seems heavy
My tears bedim the sun.
Oh, pleasant were the waiting days
To grumble cheerfully
At youth's impetuousness cooped up
Within the walls of thee.
But now—strange thought,
I find that I
Bewail my lot
And sadly sigh
As gazing on your red brick face
I know I want no better place
And discover I am wishing then
To start these years all o'er again.
A bright, warm future beckons me
Yet, oh—so reluctantly
I turn away from you, my friend,
Of all good things must come an end.
And through my gathering tears shall blend
The faces, the dreams, the hopes, the fears,
Warm and golden throughout the years,
Close always, I shall harbor thee,
Stored forever in memory.

IN MEMORIAM

ARTHUR B. WALTERMIRE

Musician, Teacher of History, and Author.
Beloved friend and counselor to all.

GIRLS' SPORTS

SPEEDBALL

Speedball opened the girls' athletic season and many spirited hard fought games were played before Ohio State captured the intramural championship. The Seniors were declared victors in the class tournament but only after being seriously threatened by the sophomores and juniors.

BASKETBALL

Over 200 girls played on 26 intramural basketball teams. The International Correspondence Club won the championship. The outstanding event was the basketball tournament held March 29. The seniors were crowned champs after scoring victory over the sophomores and juniors.

VOLLEYBALL

The volleyball intramurals were held during class time. Outstanding players from each class were eligible to try out for the class teams. These teams were chosen by girls who assist in Physical Education classes. The juniors were a surprise winner, taking the sophomores and seniors with no great trouble.

BASEBALL

At press time baseball intramurals were under way, but no champion had been decided. At the close of the intramural games class teams are to be chosen, and the sophomores, juniors, and seniors will compete for the class championship. The results of the baseball sports day, scheduled for May 20, are not available.

G. A. A.

Many interesting and exciting events were held under the sponsorship of the Girls' Athletic Association. The get-together parties, girls' basketball tournament, Co-ed Prom, candy sale, a baseball sports day and the annual banquet were the outstanding activities on the G. A. A. calendar during the past year.

There were two get-together parties, one at the beginning of each term. These are held for girls who are new to North, to acquaint them with the purpose of the organization.

The girls' basketball tournament was held in the North gym on the night of March 29. Many students and friends of the school enjoyed the North High Band, the grand march and the games which followed.

Costume paraders had their night when the Co-ed Prom was held April 19. Several hundred girls, dressed in all kinds of costumes, had an enjoyable evening. Prizes were given in three classes: the prettiest, the most original, and the funniest. Dancing with music by the school dance orchestra, and two skits, one by the women teachers and the other by the men teachers, were added attractions to the evening's program.

A candy sale was held May 3. The candy was home made by G. A. A.'s and other girls who wanted to help with the sale.

The baseball sports day scheduled at North on May 20 was attended by teams from Grandview and Upper Arlington High Schools. Each school sent a junior and senior team.

The annual G.A.A. banquet was held June 5 at Pomerene Hall. At this time emblems were given to the champion intramural and class teams for the various sports held during the past school year. This year's officers relinquished their offices to the girls elected to serve next year. A special honor was given Miss Rickey, who is completing 21 years of active service at North.

BOY'S SPORTS

BASEBALL

Since the baseball team is still under way the final standings of the Maroon baseballers is not known. However, at the present there is a three way tie which includes, North, West, and Central. North plays East on May 23rd and this game will decide for North what school will get first place.

Jack Edwards is captain of the baseball team and the mainstay of the pitching corps.

CROSS COUNTRY TEAM

Norman Keller, captain of the Cross Country Team, led his team mates through a very successful season.

In the first meet at Ohio State University with Central, North won, in the second meet at Springfield, North slipped down the ladder to third place. The district meet was also held at Springfield and North captured a second place. In a three-way meet held at North with Central and West, North came through with first place. In the State meet at Ohio Wesleyan, North stood eighth.

The following boys were awarded letters: John Blair, Walter Buchanan, Sam Cobb, Robert Immel, and Captain Keller.

GOLF TEAM

With five wins and two losses in games played thus far, the Golf Team is keeping North on top in athletics.

Those on the Golf Team are: Wilson Long, George Tolbert, Fred Kampher, Bob Keltner and Tom Addis, all of whom have been aiding to make the good record the team holds.

VARSITY BASKETBALL

With the excellent coaching of Earl A. Hickman, the basketball team captured the city high championship. Led by Captain Ed Merritt the Bears finished the season with a record of eleven wins, three losses and a tie.

At the basketball banquet George Tolbert was elected Captain of the 1939-40 season.

The following boys were awarded letters: Captain Ed Merritt, George Tolbert, Abie Walters, Jack Edwards, Jack Hauser, Jim Hardesty, Don Wratten, Norman Phelps, Jerry Katherman.

FOOTBALL

The football team concluded its most successful campaign in a ten year span. The squad finished the season with a record of eight victories against one defeat. The lone setback was an upset administered by Canton Lehman, 20-13.

The team was co-captained by Neal Pritchard and Dick Zimmerman.

TRACK TEAM

This year the North cinder crew under the tutelage of Coach George Haney captured its third consecutive city championship. The tracksters then went on to cop the district event and now rank as top favorites in the state classic.

The team was captained by George Hoeflinger who compiled an envious record in the events in which he competed, the high jump and hurdle events.

EDUCATION AND BREAD AND BUTTER

There are only a few fortunate people who can afford to ignore the practical side of education. Education for culture is attractive and delightful, but most young people must consider education as a means of making a living. One of the most practical things young people should learn is to cultivate a favorable impression with a good banking institution. The Northern Savings Bank is eager to serve the young people of the community.
